

Declaration

G.M. International S.r.l.

declares that here below listed Model:

D5240T

meets the requirements of IEC EN 61508:2010 – Route 2H for a Type B system in Low Demand operation.

With Hardware Fault Tolerance (HFT) = 0, the module achieves functional Safety Level SIL 2 with Systematic Capability SC 3 with the following figures:

- Diagnostic Coverage (DC) $\geq 60\%$
- Dangerous Undetected Failures ≤ 19 FIT
- Safe Failure Fraction $\geq 92\%$
- PFDavg (1 year) $\leq 8.3E-5$.

For further details, please refer to the Safety Manual of the product.

Francesco Landrini
CEO

A circular company seal with the text "INTERNATIONAL COMPANY SEAL" and "1999" is visible. Overlaid on the seal is a handwritten signature in blue ink that reads "Francesco Landrini".
