

A safe working environment for today and future generations

GM International designs, engineers and manufactures a complete range of **Intrinsically Safe** and **SIL 3 certified devices** that meet the stringent quality requirements, ensuring the highest production standards in Intrinsically Safe applications.

Our products are used in automation packages such as DCS - ESD - FGS - BMS - HIPPS - PLC - SCADA, in several industrial sectors: Oil & Gas, Petrochemical, Pharmaceutical, Fertilizer, Mining, Food & Beverages, Marine.

Highest levels of safety

INTRINSICALLY SAFE AND IEC61508:2010 SIL CERTIFIED PRODUCTS

GM International products have been granted I.S. certificates from the most credited Notified Bodies in the world. Certificates are available for ATEX (Europe), IECEx (International), UL/FM (USA and Canada), EAC-EX (Russia CTU and Ukraine), CCC (China), PESO (India), TIIS (Japan), INMETRO (Brazil), ECAS-Ex (UAE). All certificates are available for download from our website www.gminternational.com.

- **40 years of Experience**

founded in 1993, former Elcon Instruments

- **100% Internal Production**

in State-of-the-Art facilities near Milan, Italy

- **SIL Certified company**

Systematic Capability (SC) SIL 3 TÜV certified

- **Global Player**

with presence in 5 continents

Contact us or visit our website to find an expert near you and take advantage of the **global presence** of GM International.

GMI SIL Manual: over 50.000 copies delivered

Training courses

CUSTOMER TRAINING

Specialty courses for engineering companies, end users and system integrators are held on topics such as Intrinsic Safety (IS) and Safety Instrumented System (SIS). G.M. International in cooperation with TVC Functional Safety Services are pleased to recommend the TÜV Rheinland Functional Safety Program for Safety Instrumented Systems trainings; see our website for available dates.

Our products, our commitment

SAFETY, PERFORMANCE AND RELIABILITY

Intrinsically Safe Isolators

D5000/D1000 SERIES

Safety Relays

HIGH INTEGRITY SAFETY RELAYS

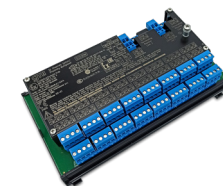

Isolators
